ANESTHESIOLOGY & PERIOPERATIVE MEDICINE

Program Information

Target Audience

This meeting is designed for academic anesthesiologists in Chair, Core Residency Program Director, Subspecialty Fellowship Program Director and Residency Program Administrator positions. Members may invite physician and non-physician guests. The program is designed to present and discuss areas of topical interest to attendees in keeping with our collective attempt to improve academic anesthesiology departments' structure, function and the educational programs.

About This Meeting

Topics for this meeting were selected by various methods. Suggestions for topics were derived from evaluations of the 2023 and other previous Annual Meetings, Council members, the membership at large and reviews of the published literature with the highest impact on the anesthesia specialty. These suggestions were discussed by our authorities in the field of anesthesia education or previous meetings.

The purpose of this Annual Meeting is to educate and share information that will enable academic anesthesiology departments to improve management and care.

Registration

The registration fee for the SAAAPM 2024 Annual Meeting includes the course syllabus, all educational presentations, continental breakfasts, coffee breaks and Friday reception. There is a separate fee for lunches. Registrations that are either faxed, mailed, or made via the website to the SAAAPM office must be received by October 8, 2024. After October 9, 2024, late registration fees will be applied. Your registration fee is separate from the departmental membership dues that must be paid each year. Please include your ASA membership number with your registration to claim CME credits.

ACCME Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Society of Anesthesiologists and the Society of Academic Associations of Anesthesiology and Perioperative Medicine (SAAAPM). The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

Disclosure Policy

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts

of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, mitigated. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

Disclosures

This activity's content is not related to products or services of an ACCME-defined ineligible entity; therefore, no one in control of content has a relevant financial relationship to disclose, and there is no potential for conflicts of interest.

Special Needs

The Society of Academic Associations of Anesthesiology and Perioperative Medicine (SAAAPM) fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact the SAAAPM at info@saaapm.org or (414) 389-8619.

Local Airports

O’Hare International Airport (ORD), located 17 miles from downtown, is one of the largest airports in the world.

Midway International Airport (MDW) is located 10 miles from downtown Chicago is another convenient travel option.

Visit www.flychicago.com for details on parking, amenities, flight status, terminal maps and more for both O’Hare and Midway airports.

Both airports offer plentiful taxi service to downtown. Rates range from \$40-50 from O’Hare, and \$30-40 from Midway. Rates vary based on travel time and are subject to change.

The hotel does not provide shuttle service.

For more information on light rail, visit: www.transitchicago.com/airports

Parking

The Swissôtel Chicago offers 24-hour valet parking and will provide a 50% discount on the published valet pricing at time of check-in for SAAAPM attendees. **Please request your coupon for discounted valet parking at the meeting registration desk.** You do not need to stay at the hotel to receive discounted parking.

Discounted Bus Transportation from Hotel to Airport

SAAAPM is offering bus transportation to both O’Hare and Midway airports, immediately following the meeting.

Please RSVP yourself and any family/friends on your registration form. The cost is only \$20 per ticket.

The meeting ends at 2:30pm and buses would leave from the hotel by 2:45pm. This will allow for every member to catch a flight home on Saturday. PLEASE make your travel plans such that you do not leave from Chicago (O’Hare or Midway) before 6:00pm to allow ample travel time to the airport and to go through airport security.

The SAAAPM meeting is short, but the content is always outstanding.

2:45pm	SAAAPM Hosted Buses Depart for Airports

Discounted Bus Transportation from Hotel to Airport

SAAAPM is offering bus transportation to both O’Hare and Midway airports, immediately following the meeting.

Please RSVP yourself and any family/friends on your registration form. The cost is only \$20 per ticket.

The meeting ends at 2:30pm and buses would leave from the hotel by 2:45pm. This will allow for every member to catch a flight home on Saturday. PLEASE make your travel plans such that you do not leave from Chicago (O’Hare or Midway) before 6:00pm to allow ample travel time to the airport and to go through airport security.

The SAAAPM meeting is short, but the content is always outstanding.
